4-H activities report	15

Horsemanship is the art of riding, driving, and handling a horse and understanding its needs. This record is for 4-H members who want to learn horsemanship skills and participate in 4-H performance events. You will care for a horse or pony and may participate in 4-H horse shows and other events. You will develop skills for living and learn about horses by doing the activities for your achievement level in your 4-H horse project activity guide.

Objectives

The purpose of the performance horsemanship option of the 4-H horse project is to help 4-H members:

- learn and practice horsemanship skills
- learn and apply principles of horse care and management
- explore interests in horses and the horse industry
- develop skills for living

Instructions for project record

1. Use this record if your horse project is performance horsemanship and you are in Level 1 or you are 8 to 10 years old.
2. Use this record with a Level 1 project activity guide.* Keep your records and activity guide together in a notebook.
4. Do activities for Level 1 in your project activity guide. Have your project helper sign your guide when you finish an activity.
5. Fill out a new record each year. You may use your activity guide more than one year.
6. Write the things you do with your horse or pony in your record. Include amounts of money you spend. Save receipts to prove what you spend. Add more pages if you need more room.
7. Keep records of things you do for the whole year (twelve months), even if your club meets just part of the year. Start and end on the same calendar day of each successive year. Your leader will tell you what date to use.
8. Turn in your project activity guide and record at the end of the year.

**4-H Skills for Life Animal Science Series*

4-H project plans

Complete this section at the beginning of the project year.

Numbers, kinds, and breeds of horses and/or ponies I will care for (example: one Appaloosa foal and one Appaloosa mare)

What I will do to take care of them
(example: I'll feed and water my horse each day)

What I want to learn and accomplish
(example: I want to learn to show my horse)

Project requirements

To complete one year in Level 1 of the performance horsemanship project, you should:

1. Enroll in Level 1 of the 4-H horse project by June 1 of the project year.
2. Plan your project with your horse project helper.
3. Obtain and care for a horse or pony.
You should do more than one half of the work needed to properly feed, exercise, and handle your horse or pony.
4. Choose the horse or pony you intend to use as your project animal by June 1.
Record the name and other information about your project horse or pony with your county extension office by June 1 of the project year.
5. Do the learning experiences and achievement program activities for your achievement program level.*
Refer to the list of learning experiences on page 3 and the list of achievement program activities on page 4 of your project activity guide. We recommend that you do three or more learning experiences and seven or more achievement program activities each year. Have your project helper initial the activities you do.
6. Complete at least three of the "Horsemanship skills and knowledge" activities listed on page 5.
7. Participate in 4-H meetings, activities, and events.
This book and your project activity guide contain lists of activities that may appeal to you. Do the activities that interest you. Refer to the *Pennsylvania 4-H Horse Show Rule Book* for rules for participating in 4-H horse shows and events.
8. Obtain a grooming and showmanship score.
You should demonstrate the ability to properly groom and handle a horse. You may obtain a grooming and showmanship score at a local or county show or from a 4-H leader, depending upon your county's policy.
9. Keep and turn in records.

Horsemanship skills and knowledge

To complete Level 1 of the performance horsemanship project, you should complete the following. You may take up to three years to complete Level 1.

Activity	(✓) Completed	Date
1. Describe or demonstrate ten safety guidelines for riding, driving, and working around horses.		
2. Identify fifteen external parts of the horse (in addition to eyes, ears, nose, head, tail, and foot).		
3. Demonstrate how to properly enter a stall or pasture and how to approach, catch, and release a horse.		
4. Demonstrate how to groom a horse and clean the horse's feet.		
5. Demonstrate how to tie, saddle, bridle, unsaddle, and unbridle a horse properly.		
6. Describe how to clean and take care of tack and equipment. Identify three parts each of a saddle and bridle.		
7. Demonstrate your ability to ride and explain three common gaits under either English or Western tack.		
8. Name three grain feeds, three types of hay, and three kinds of bedding. Describe how much feed (grain and hay) and water your horse needs each day.		
9. Describe how to determine if a horse is sick or healthy. Describe five things you should do to keep your horse healthy.		
10. Know the origin, history, use, and characteristics of at least five breeds of horses.		
OPTIONAL: 1. Complete Level 1 of the 4-H Horsemanship Skills Program.		
2. Read a section(s) (A–G) of the <i>4-H Horse Safety Standards</i> and complete the corresponding section(s) (A–G) of the <i>4-H Horse Safety Checklist</i> .		

Note: Please transfer this information to your next year's record book or keep until Level 1 is completed.

Complete the information and chart below and/or attach a copy of registration papers and/or pedigree.

The diagram is a pedigree chart. On the left, a box labeled "Your horse or pony pedigree (if known)" has two lines extending to the right. The top line leads to a box labeled "Sire", and the bottom line leads to a box labeled "Dam". From the "Sire" box, two lines extend to the right, leading to boxes labeled "Paternal grand sire" and "Paternal grand dam". From the "Dam" box, two lines extend to the right, leading to boxes labeled "Maternal grand sire" and "Maternal grand dam".

Participation in activities

List activities in which you and your horse participated. Examples: shows, trail rides, clinics, camps, or other activities.

Date	Activity	Location

Stable record – Include, by month, the amount and value of feed and other items.

Month	Hay (lb)	Cost	Grain (lb)	Cost	Salt or minerals (lb)	Cost	Bedding (kind and amount)	Cost	Pasture (days or hrs)	Other expenses (health care, farrier, supplies, tack, etc.)	Cost	Total cost (mo)
(Example)*	330	\$16.50	210	\$21.00			Straw 400 lbs	\$16.00	10 days	Reset shoes	\$45.00	\$98.50
January

TOTAL												

* In the above example, 330 pounds of hay valued at \$16.50 were fed. The 210 pounds of grain cost \$21.00, the 400 pounds of straw cost \$16.00, and the horse spent 10 days on pasture. A farrier reset the horse's shoes for \$45.00. No salt or minerals were purchased during the month. Make an entry only for the month in which items were purchased, not for the month they were used.

Riding and labor

Keep a monthly record of time spent riding, driving, handling, or caring for your horse. You may also include any other information about your horse project here.

Month	Hours	Riding, driving, or handling horse	Hours	Labor: cleaning stalls and tack, grooming, etc.
(Example)*	20	Trail riding	40	Cleaning stalls and grooming
January				
February				
March				
April				
May				
June				
July				
August				
September				
October				
November				
December				

* In the above example, the member spent 20 hours trail riding and 40 hours cleaning stalls and caring for the horse.
